LETTER TO THE OFFICIAL DRAFTSPERON

Assistant Commissioner for Patents
Washington, D.C. 20231
Attention: Ms. Bridget Gray

22 October 2001

Sir:

Attached hereto are eight (8) sheets of formal drawings for Figures 1-15 for the above-identified application.

Applicant respectfully submits that the attached formal drawings overcome the requirement for substitute drawings ("corrected parts of application") set forth in the attached Notice to File Missing Parts of Application.

Further, the indication that "The following item(s) appear to have been **omitted** from the application: Figure(s) **1 and 2** described in the specification" (emphasis in original) is completely in error. Attached is a copy of a postcard containing the date stamp of the U.S. Patent and Trademark Office Mail Room and itemizing the application parts filed 29 June 2001. As indicated, six (6) sheets of "formal" (black and white) drawings were submitted, along with six (6) sheets of "color" drawings. Whereas, the six (6) sheets of formal drawings contained black and white versions of all of Figures 1-15, the color drawings filed with the application

09893527-102201

were only for clarity of ones of the formal drawings, and did not include copies of formal Figures 1 and 2 as such are block diagrams and need no clarification.

Therefore, Applicant respectfully requests withdrawal of the erroneous allegation of omitted parts of application, and respectfully requests written acknowledgment and approval of the attached formal drawings for Figures 1-15.

Respectfully submitted,

Paul J. Skwierawski

The following item(s) appear to have been **omitted** from the application:

- Figure(s) **1 and 2** described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink.
